Ci TECHNOLOGY DATABASE

Knowing Which Companies Need Your Solution Removes the Guesswork (and the Wasted Calls)

Dear [FIRSTNAME],

The Ci Technology Database has always provided sellers with the most targeted source of leads. We make more than 60,000 phone calls per month so that you don't have to. We'll find the companies most likely to need what you sell. How? Below is a list of just some of the information we collect and provide----and this month only, when you buy a CiTDB prospect list, you can pick one of these target criteria to be appended for free.

- Mobile employees
- Total installed Unix/RISC servers
- Installed open source
- Total internet users
- Wireless presence
- Firewalls
- Percent of desktops over 3 years
- Planned SAN changes
- Planned SAN storage
- Total installed production printers
- Total T1 lines
- Call center presence

Call us today and finish the year strong. Your next customer is already in our database.
